

Jambalaya and Jazz Sponsorship Packet 2018

August 9, 2018

As a business leader, you impact our economy and quality of life on a daily basis. Now you have the opportunity to help us improve the lives of children and families. Adoption Option Inc., Child Welfare Organization (AOICWO) provides *more* than adoption services. **We impact this community by also providing Foster Care, Licensing Foster Parents, Family Preservation, and Youth Services.**

Our Family Preservation Services consist of evidence-based parenting education with the goal of reuniting families with their children when possible. When it is not possible for children to safely return home we offer adoption services. **In 2017, we provided services to more than 500 adults and more than 800 children in the following areas:**

- * Adoptions - 21 children * Foster Care - 65 children**
- * Licensing – 24 Families * Youth Services 35 children**
- * Family Preservation – 712 children & 446 Adults**

Honorary Chairs Mr. & Mrs.
Jon and Tina Lynch
