

All that Jazz Sponsorship Packet 2020

August 26, 2020

Dear Business Owner,

Thank you for your past sponsorship for our annual Jambalaya and Jazz event. This year because of COVID-19 and the importance to us of the health and safety of others, we are going to pivot to a virtual event called “All that Jazz”. As a business leader, you already impact our economy and quality of life on a daily basis. This letter is to invite you to again help us improve the lives of children and families. Adoption Option Inc - Child Welfare Organization (AOICWO) provides more than just adoption services. We impact this community by also providing Foster Care, Licensing Foster Homes, Family Preservation Programs, and Youth Services.

When there is a concern that a child may have experienced abuse or neglect, sometimes that child is removed from their home. Their family may be referred to our Foster Care Program or one of our Family Preservation Programs (FPP). Both programs work on reunifying the family. FPP consist of evidence-based parenting education. When it is not possible for children to safely return home we offer adoption services. Additionally, we offer youth help with life skills through our youth services program. **In 2019, collectively these programs served more than 1000 people.**

**Honorary Chairs Mr. & Mrs.
Bill and Nancy Barker**

Adoptions • Foster Care • Licensing • Youth Services • Family Preservation

Adoption Option Inc. is celebrating 16 years of serving families and children at our virtual event on Thursday, November 19, 2020 from 6:00 pm - 8:30 pm. We ask for your support of this great annual event where community leaders step forward to help change the lives of children and families. Don't miss this event which will include livestream jazz performance from The DJAM Band, featuring guest soloist Gezelle Myers, plus a cooking demonstration from Chef Andy, and more information about the families we serve.

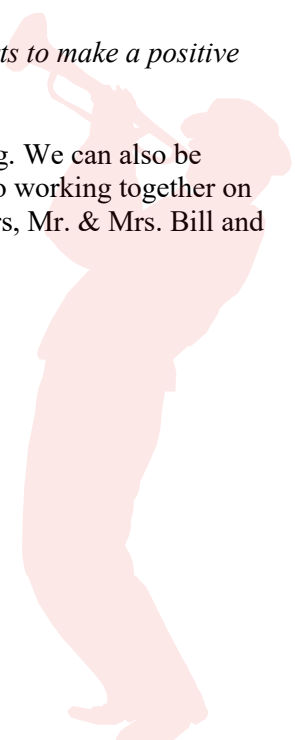

Please take a look at the sponsorship options below and consider how you can become a part of our efforts to make a positive impact on the lives of children and families in our Great Lakes Bay Region.
