A Child Reached Is A Child Saved...

Adoption Option Inc. is a Michigan non-profit corporation and is licensed by the State of Michigan as a child-placing agency to provide a variety of adoption and other services. It has been designated as a 501(c)(3) tax-exempt organization by the Internal Revenue Service.

Adoption Option Inc. was initially founded to provide adoption services, help children in the foster care system and to share free information about adoption and foster care. Later we began offering foster licensing and foster care services.

In late 2012, we began providing services not related to adoption, as part of our Family Preservation Program. These services include supervised visitation for parents and their children who are placed in foster care as well as parent education and life skills.

In 2016, AOICWO began offering mentoring services to older youth through our Youth In Transition program. YIT prepares eligible foster care youth, between ages 14-23, for living independently,
